### Linecard

### Capital Equipment

Manufacturer of the Trident series of defluxing equipment, zero ion cleanliness testing systems and stencil cleaners.

[www.aqueoustech.com](http://www.aqueoustech.com)

Manufacturer of selective and wave soldering systems known worldwide for quality and service. Also providing 3D metal printers, reflow ovens and screen printers.

[us.kurtzrsa.com](http://us.kurtzrsa.com)

Industry leading conveyors for all your automation needs. Industry leading laser marker systems.

[www.flexlink.com](http://www.flexlink.com)

Manufacturer of high speed and high mix pick and place equipment. Featuring the NXT III and AIMEX III platform. Complete line of component storage towers and screen printers.

[www.fujiamerica.com](http://www.fujiamerica.com)

Manufacturer of horizontal, vertical and vacuum type reflow and curing ovens.

[www.hellerindustries.com](http://www.hellerindustries.com)

Manufacturer of a complete line of magazines for PCB handling along with magazine washers, automatic width adjustment machines in line board cleaning modules.

[www.nixofamerica.com](http://www.nixofamerica.com)

Industry Leading 3D AOI, SPI and AXI equipment.

[www.inspection.omron.us](http://www.inspection.omron.us)

Automated and manual adhesive dispensing and selective spray coating equipment, precision dispensing equipment, touch screen laminating systems and a complete line of benchtop dispensing systems, including needles and syringes.

[www.pva.net](http://www.pva.net)

Production systems to help solve assembly issues. Smart storage systems Cut and clinch thru hole guided workstations.

[www.robotas.com](http://www.robotas.com)

SMARTKLAUS is a camera based digital assistance system designed to deliver smart production technology by supporting operators with manual assembly processes in your factory

[www.eapltd.smartklaus.com/](http://www.eapltd.smartklaus.com/)

Manufacturer of the XRH count contactless component X Ray counting system and a complete line of X Ray equipment.
